Dear Norsang,

This letter is to confirm you once more that we very much appreciated the 12 days trek you have organized for us during our stay in Nepal, end of October 2010. It gave us fantastic opportunities to see the Langtang Lirung and to visit the Gosainkunda lakes region. We were then able to walk down to Kathmandu, with very scenic views of the area.

Our group included three ladies and six gentlemen, all French citizens, between 30 and 60+ years of age. The way you had organized this trek was very professional: adequate balance between walking times and rest times, good selection of nice places to enjoy tea breaks, lunches and night accommodations, etc... In all circumstances, you always provided us with wise advices, demonstrating your high safety concern. Furthermore your team did a great job in supporting us during the trek. They were all very professional and we had a real pleasure to chat and walk along with them. Finally you took very good care of us upon our arrival in Nepal and during our whole stay in Kathmandu.

If we have the chance to come back to beautiful Nepal for another trek, we will for sure get in touch with you and your team to help us organizing it.

Please do feel free to provide potential customers with a copy of this letter as a reference, if you wish to do so.

Warm regards,
